Ibadan, Nigeria | +234 806 212 8170 | [Email] | [LinkedIn]
B.Sc. Agricultural & Environmental Engineering — seeking MSc in Water Management & Environmental Engineering at BOKU Vienna

EDUCATION

B.Sc. Agricultural & Environmental Engineering — University of Ibadan Mar 2024
CGPA 3.18/4.00 | Dean's Honours List (2020/21) | Coursework: hydrology, hydraulics, irrigation, drainage, soil-water conservation, soil mechanics, structural design, computer modelling

RELEVANT ENGINEERING EXPERIENCE

Research Assistant — Dept. of Agric. & Environmental Engineering, UI 2023–24
Engineering Intern — Christomat Construction, Ibadan Feb–Aug 2023

- Designed/fabricated agricultural equipment and a 2–3 ton grain dryer; field engineering implementation.

Engineering Intern — Allamit Nigeria Limited, Ibadan Jan–Mar 2022

- Designed/fabricated maize shellers and feed mixers for commercial poultry operations.

ADDITIONAL EXPERIENCE

NYSC Mathematics Tutor, Brain Spark Academy, Benin City (Oct 2024 – Jul 2025) | **Academic Tutor**, AEESS-UI — Python & computer modelling (2021–24)
Software Developer — 77 Technologies, Ryse Engineering, Turbines Ltd (2022–26): Python, data analysis, API integration, web applications.

SKILLS & MEMBERSHIP

Engineering: Hydrology | Hydraulics | Irrigation & Drainage | Soil-Water Conservation | Structural Design
Computational: Python | SQL | Computer Modelling | Data Analysis | Machine Learning
Language: English (native) | **Member:** Graduate Member, Nigerian Society of Engineers (GMNSE)
